THE WISE SHEEP

Show the following pictures and encourage the students to frame the story.

Answer:
Once, a flock of rams was moving in a forest. On their way, the rams came across some bait spread on a big blanket. They came near the bait in order to eat it. All the rams fell into a deep pit. They did not know that the blanket had a deep pit under it.

There was a old ram. He did not want to eat the bait. So, he stayed away and was safe. He brought some dry twigs and sticks and dropped them in the pit one after the other. Thus, he made a big pite of sticks.
